- Promote integration of police, court, and prosecution information systems.
- Organize prosecution office in anticipation of transfer of court to new building.

Five-year Accomplishments

- Maintained lowest rate of staff growth of all administrative departments.
- Streamlined information research and document retrieval.
- Retained a highly trained and efficient professional staff.
- Hired a full time contract attorney in FY 2005 and will hire a full time prosecutor in FY 2006.

Performance Measures & Analysis

Expansion of justice court staff and programs increase demands on prosecution staff. Future court growth will require equivalent expansion of prosecution staff.

Significant Budget Issues

1 Personnel Costs - A full-time contract attorney position was added mid year during FY 2005. This position will work primarily with the Public Utilities, Fire, and Police Departments. A new Prosecutor position is being added to handle increasing demands for prosecuting services - the costs of this position are offset by a reduction to temporary/seasonal funding. The Secretary position's job duties have been modified resulting in a reclassification to Prosecutor Assistant.
